District

Covid 19 Update
Effective May 5th, 2021 District-based local units will need to follow the local protocols of the county or city that the event or activity is taking place in. If and when county protocols conflict with city protocols, please follow the more restrictive of the two.

As we hold project meetings and other 4-H activities please be aware of the restrictions in your city or county. If you are unsure of the restrictions, if any, please give one of the Extension offices a call and we can let you know.

Canning Foods
Canning Class is May 25th at 10am in Satanta High School. Registration information will be sent to those who participated in the zoom. There will be another hands on session on July 9th at the Liberal Recreation.

Creative Cooks Contest
This year the Creative Cooks Contest will again be a District event. It will be held on Monday, June 7th at the Satanta High School FCS Room, 100 Caddo Street.

Creative Cooks Contest is open to all 4-H’ers. It is a hands-on cooking event where you have 1½ hours to create a dish from scratch, display a single place table setting, and visit with a judge about nutrition.

The contest rules are on the district website at this link: https://wildwest.k-state.edu/4-h/Creative%20Cooks.pdf. Entry forms are on the last four pages. Deadline to register is Wednesday, May 26. Contact Nancy Honig at 620-544-6787.

Hunter Safety Course
A Hunter Safety Course is being offered for ages 11 and older June 7-11 from 4-6 pm each evening at the 4-H Building in Hugoton. There will be a shooting session on June 12th at the gun range.

Sign up is through the Hugoton School, ask for Jacque Teeter at 620-544-4376.

Lakeside/Heart Of Kansas 4-H Camps
Those attending will be receiving information via email about when we are leaving and what to pack.

Wild West Camp Days!~Calling ALL Kiddos~
This year we will be having Day Camps at each of the District Counties as listed on the attached flyers. Campers will hear from the area Game Wardens, make sundials, birdfeeders and eat a “centipede” for lunch! This camp will be open to ALL kids ages 5-10. (Not just for 4-H’ers, please help to spread the word!) Cost will be $5 per child per camp, payable to your local 4-H Council. Please register by going to www.wildwest.ksu.edu, and look in the center area for ‘Register here’ for ALL the day camps.

See the flyers for more information. Also – We need older kids, ages 12 and up, to help as counselors for camp. If your child is interested in helping, to sign them up please reply to Kylee at kharri-son@ksu.edu.

It would be great in record books!

Record Book Tips/Challenges
For those with livestock you can hop in and get your spring weights added so you are not trying to remember what those are later. If you have been attending any project meetings get those added to your record book as well.

Please let Devin know if you have any questions, or make sure you hop onto the virtual record book sessions for help.

Record Book Q & A Zoom Sessions
Now that school is over, it is really time to start thinking about record books. Devin will host two more zoom sessions; they will be a time that you can quickly hop on the Zoom and ask any questions you might have.

The Zoom meetings will be open for an hour but you do not need to stay on the entire time. This will work as come and go sessions. Also, using Zoom gives you the ability to share your screen so you can share with me what you are looking at for me to better help you.

Keep in mind that Stevens and Haskell Counties have requirements regarding record books to show at fair. So make sure you are getting started working on them to make it easier on you as it gets closer to fair time.

Please get these on your calendar, the Zoom room will be open 7-8 pm for you to hop in anytime.

Tuesday, June 15th
Wednesday, July 14th

The zoom link will be sent via email. Remember this year, the only record book that will be accepted is the online zsuite record book. If you have questions please contact Devin or hop on the Zoom.
2021 Kansas 4-H Geology Field Trips

The 4-H Geology Action Team has been working hard to plan opportunities for youth to learn and engage in the 4-H Geology project. The group is excited to announce three great options for youth to collect specimens and learn from experts in the field. For 2021 there will be three single day field trips offered in different areas of the state:

- June 12th – Western Kansas Smoky Hills
- June 19th – Southeast Kansas
- June 26th – Central Kansas

All registrations for geology trips must be made in advance online. There will be NO onsite registrations for any of this year’s geology field trips. Everyone attending the field trip must register by the May 28th deadline.

For registration links and full details see the Geology Project page at https://www.kansas4-h.org/events-activities/conferences-events/geology-field-trip/. Due to site capacity limitations the Southeastern trip will have a 100 participant limit and the South Central trip will have a 150 participant limit. The Western trip does not require a limit.

AND, with the opportunity for state field trips, the lower specimen requirement for the 2020 State Fair will return to requiring the **full 15 new specimens for the 2021 KSF**.

District Horse Show Participation Changes

4-H members may participate in their county/district designated District Horse Show plus one additional District Horse Show of their choosing. However, before entering Kansas State Fair classes, 4-H members must indicate through which District Horse Show results they will enter. There will be no picking of classes from each district, only results from one of the districts attended will be used.

This rule change was approved and began implementation in December 2019. However, due to the cancellation of District Horse Shows in 2020, it was never practiced. State staff is working with the District Horse Show Chairs to manage the change for the 2021 show season, including promoting all District Horse Show dates.

Horse Projects

**Horse Levels Testing** The Level 1 Achievement test is required for all youth to participate in District and State Horse Shows. Online/video levels testing will be accepted again this year. Contact the office for more information. Our Southwest District Horse Show has been scheduled for Tuesday, June 29, 2021 in Dodge City, unless prevented by COVID restrictions.

**Wild West District Dog Show**

This Show will be held on Tuesday, July 20th at 9 am at the Fairgrounds in Hugoton.

**YQCA Training Update**

We will again be using the YQCA program for our livestock quality assurance class this year. All livestock exhibitors with intentions to participate in your county fair must complete your YQCA certification. Also, those that show livestock at the Kansas State Fair and/or Kansas Junior Livestock Show must have completed the certification to nominate entries and be eligible to show. This applies to all market and breeding animals. There will be one more face-to-face training in Liberal on Tuesday, May 25th at 5pm in the Seward County 4-H Building. To sign up go to www.yqca.org.

The YQCA training is also offered online. However, seven year old members are not eligible for the online training. Please pay special attention to your email for additional information. Contact Lacey at 620-397-1927 with questions.

**Livestock Notebook**

Check out the 2021 Livestock Events Notebook, that is located in your local Extension Office. It contains flyers and information about upcoming events such as shows, clinics, and camps. Feel free to stop by and take a look!

**Small Animal Showmanship Clinic**

OPSU Livestock Judging Coach, Sydney Wilkinson, and swine specialist, Mallory Overpeck will help 4-H’ers improve skills and boost confidence in the ring, at a clinic on June 5th at the Grant County Fairgrounds Arena. See the attached flyer for more information.
2021 Livestock Nomination
Nominated Livestock / Forms and Information: All 2021 state livestock nomination information will be posted on the "Nomination Information" tab of the KSU Youth Livestock website. Only 2021 forms and information will be accepted.

June 15: State Commercial Heifer, Swine, Sheep, & Meat Goat Nominations Due

Important: All animals that are nominated for the Kansas Junior Livestock Show and Kansas State Fair will be required to be tagged with the Kansas 4-H EID tags in 2021. DNA hair samples in official DNA envelopes are also required.
** Exhibitors must contact their local Extension Office to get their EID tags and DNA Envelopes.

Seward County 4-H Council meets July 19th at 6pm.
Ceramics Project

The classes available will only be during the daytime hours and will run in conjunction with the Hugoton Recreation Commission Summer Kids Program. There will be NO night classes. There are 3 sessions that you can choose from. Each session is 2 weeks long and classes are on Monday, Wednesday and Friday. Class lasts for 45 minutes.

You will need to sign up for classes May 24-27 at the Hugoton Rec. There is a $5 charge per session plus the cost of your pieces you choose.

In order for there to be enough class space for all Stevens County kids ages K-12, please only sign up for 1 session during sign up. If you feel you need or want more time, you will need to talk to me about it and I will get you in another class after I get the sign up sheets from Todd.

Session Dates
June 7 - June 18
June 21 - July 2
July 12 - July 23

Class Schedule MWF
9:00am - 9:45am
10:00am - 10:45am
11:00am - 11:45am

One more thing, if anyone wants to try hand-building something from clay or would like to make something on the pottery wheel, get a hold of me to set up a time. The wheel is a one-on-one teaching since I only have one wheel available. There is a section in the fair book for this. Pieces made have a long drying period so it isn't something to be done in July.

The shop is currently open on Thursdays. Kids must have an adult or older teen with them to attend on Thursday evening. Contact me with any questions you may have. I’m looking forward to seeing everyone soon.

4-H Ceramic Project Leader, 620-453-1477

Reminder: Stevens County Fair Change

Fair 4-H Record Books will now be turned in on Monday, July 26th at 9:30 am. Remember that your record book only needs to be current, not finished. Call Devin if you have questions.

Rabbit Meetings

Our 4-H rabbit project meeting group has grown with participants from six counties now. The meetings will continue using the Canvas/Zoom programs through July. Meetings will be the second Tuesday of the month, Canvas activities will be for anytime during the month. Call William or Amy Bryan if you have any questions at 620-428-6656.

Wild West Camp Days!~Calling ALL Kiddos~

This year we will be having Day Camps at each of the District Counties as listed on the attached flyers.

Gas Capital T-Shirts

Several shirts are available at $10 each, Youth Small and Medium, and Adult XL and 2XL. Contact Devin, for first choice, 785-383-3884, or stop in the Hugoton Office.
Stevens County Shooting Sports Summer Schedule
Following are the dates for 4-H Shooting Sports project meetings in Stevens County during the summer months. More dates may be added as we go along, or in the fall as we practice for state contests.

As always, the summer is busy and we are working around a number of other 4-H events, community athletic activities and family obligations. I have tried to scatter the dates so as not to exclude anyone based on their activity schedules.

At this time, we plan to hold shooting sports meetings in the small bore (.22 cal.), archery and shotgun disciplines.

As always, the focus of these meetings is to learn to be safe, have fun, learn new skills, and prepare for 4-H competitions, if desired.

All shooters must each have an up-to-date liability waiver and code of conduct form completed and signed by the 4-H member and a parent before participating. A waiver form is attached.

Small Bore
Held in Abel Sullivan’s pasture: NW 11-35-37. From Hugoton go 10 miles south on Road 14, then ½ mile east on Road C and turn into the south pasture gate.
If roads are muddy, use paved Road 12 to Rd D (2nd St.), then 2 miles east, 1 south and ½ mile east.

Wednesday, May 26th, 6 to 8 pm.
Saturday, June 12, 9 to 11 am.
Wednesday, June 16, 6 to 8 pm.
Sunday, June 27, 3 to 5 pm.
Ammunition and guns will be provided, but 4-Hers may bring their own guns.

Archery
Held at the Stevens County Fairgrounds arena parking area.
Tuesday, June 15, 6 to 7 pm.
Saturday, June 19, 9 to 10 am.
Tuesday, June 29, 6 to 7 pm.
Wednesday, June 30, 6 to 7 pm.
All equipment will be provided.

Shotgun
Held at Derek and Stacey Dillinger’s farm approx. 7½ miles south of Hugoton on Road 14.
Saturday, July 10, 9 to 11 pm.
Wednesday, July 14, 6 to 8 pm.

More shotgun meetings will be announced as we get closer to August. There may be opportunities to practice on Sundays at 1 pm at the trap range in Liberal if they are not holding special events. This will require some out of pocket cost for targets. Guns are available, but 4-Hers are welcome to bring their own shotguns. Ammunition is currently available, but limited.
