

Making Cover Crops Work in Western Kansas

Thursday, October 10, 5:15pm
Grant County Extension Office
1100 W. Patterson Ave
Ulysses, KS

Dinner will be provided. Please RSVP to the Extension Office by October 9 at 620-356-1721

For Livestock and Agronomy purposes

Sandy Johnson, Ph.D., NW Extension Beef Specialist will be discussing the considerations when using forages (cover crops) with livestock.

This program will be an excellent resource for those considering cover crops and the benefits they can have for both your crops and livestock.

John Holman, Ph.D., SW Extension Cropping Systems Agronomist will share his wealth of knowledge about Cover Crops and how to make them work in Southwest Kansas.

K-STATE
Research and Extension

Grant County

Kansas State University is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision, or hearing disability, contact Elizabeth Kissick, 620-356-1721.
