2x2 foot primed wooden square, primary colors and black and white paint, hooks, hanging wire, patterns, and snacks will be provided.

What are Barn Quilts?

Barn Quilts are a 2x2 square of wood painted like a quilt pattern. They have gained recent popularity not just for barns, but also for fence and other outdoor decorations as well as fair competitions.

Will Our Fair have a Barn Quilt Competition?

YES! The work you do tonight is eligible for fair entry. The winner of this competition will get the option to advance to the State Fair as well as prizes, which are provided by the Needles and Friends Quilt Guild for first through third places.

What if I want different colors than what is provided?

You are more than welcome to bring your own latex enamel paint. Sherwin Williams has information about this class and can help point you in the right direction for your paint choices.

Can I bring my own quilt pattern?

YES! Just keep in mind it needs to be sized to fit a 2x2 foot square of wood.

Will I need to bring anything to this class?

We ask that you please bring the following:

- Painter's Tape
- A Yard Stick
- A Hair Dryer
- Any paint color you would like to use other than what has been provided

We would like to extend a very special 'Thank You' to Sherwin Williams for sponsoring the paint for this event and to Jose Arredondo for cutting the wooden pieces for us.
